

Zoning Board of Adjustment  
City of McGregor  
January 26, 2022, 5:15 p.m..

The Board of Adjustment for the City of McGregor met Wednesday, January 26, 2022 at 5:15 p.m. at City Hall. Young, Mullarkey, Sinclair, Hallberg, and Bickel were present.

The board considered a request from Methodist Church Preservation Foundation for signage on the former Methodist Church located at 330 Ann St. The church building was recently donated to the non-profit following the recent closure of the church. The building will no longer be used as a church, but will be a community and event center. Joe Brooks, president of the non-profit, explained his need to make the public aware that it is available for rent for event purposes. Hallberg moved, seconded by Young to approve two signs – one to be placed above the church doors on Ann Street side 30 inches by 20 feet Convention, Conference, Community Center, and the other in the existing bulletin board 5x5 feet. Ayes – all. Motion carried.

With business concluded, Mullarkey moved to adjourn the meeting. Seconded by Hallberg. Motion carried.

Lynette L. McManus, Zoning Administrator
