**Walking Tour Revision**

The last meeting of the subcommittee the group split the walking tour booklet into sections for each person to work on. Michelle will put the booklet on Google Docs so each of us can edit from there. Maureen stated that whenever a person's name is in the tour booklet, a note on the context and history of the person should be included. Sheila mentioned also revising signs in the buildings, and the possibility of putting a sign up in Triangle Park with a map of the tour which also indicates where people can get the tour booklets. The group will plan to meet again on the second Tuesday of the month at 5:00p.m. at the McGregor Public Library.

**Methodist Church**

Joe will be doing a series of three presentations at the Methodist Church.

**McGregor Master Plan**

The McGregor Steering Committee has plans to set up a Pop Up at the Big Buoys Tiki Bar on the McGregor riverfront on Saturday, June 18<sup>th</sup>. The Commission members discussed the Master Plan. Seems the project could use a Project Manager overseeing it, to keep with with the yards and buildings.

**Historic Preservation Event**

None of the commission members made it to the in-person Summit. Duane is looking into whether we can get a speaker, or do an Oral Histories project. All of us should give this some thought for the next meeting.

**Preservation Awards Update**

An award was presented to Michelle at the McGregor Council meeting and Duane will present the award for Lucy Rodenberg Anderson to a family member.

**Historical Character Reenactment**

The Commission members discussed doing the reenactment on Labor Day weekend. Michelle stated she will speak with Laurie Klosterboer about help getting actors to play the characters, and will work on the scripts.
